Gentlemen:

We are transmitting the document entitled, "Document Review Comment Record of EPA and CDH Comments; Final Phase II RFI/RI Work Plan (Bedrock); 903 Pad, Mount East Trenches Areas (Operable Unit 2); U.S. Department of Energy; Rocky Flats Plant; Golden, Colorado". This document presents responses to all the comments made by EPA and CDH, May 1991, as amended by our respective staff level meetings, concerning the first draft of the bedrock work plan, dated January 1991. It is our belief that the responses address our understanding of your concerns as clarified through additional dialogue. For this reason, the disposition may not directly match the comment from your initial correspondence.

If you have any questions, please contact Brent Lewis of my staff at 966-4765.

Sincerely,

David P. Simonson  
Assistant Manager  
for Environmental Management
